

The Guibord Center's Communities of Faith and Good Faith all urge you to VOTE

How do I register/vote/volunteer?

See any of these three non-partisan websites for help for your local, state and national elections, no matter who you are or where you live in the U.S.;

- The U.S. Election Assistance Commission: www.eac.gov
- When We All Vote: www.whenweallvote.org
- Vote.Gov: www.vote.gov

Please vote and vote as early as you can to make sure your vote is counted. Encourage your friends, families, colleagues and acquaintances to vote.

"We do not have government by the majority. We have government by the majority who participate." - Thomas Jefferson

Why should I vote?

Voting is how we make our values known and reflected in the laws and policies our elected leaders enact.

- "Why Vote in 2020? Your Life and Happiness May Depend on It." www.trade-schools.net/articles/why-vote
- "Voting Matters" www.americanbar.org/groups/crsj/publications/human_rights_magazine_home/voting-rights/voting-matters/

These 2020 Elections are likely the most important elections of our lifetimes. You have the power to help create a more compassionate country.

Does my vote matter?

Yes! Every vote counts. It tells our representatives how seriously we take the values up and down the ballot. The last election was tipped by very few votes and nearly half of eligible voters never cast a ballot.

The Guibord Center – Religion Inside Out

Our Mission

Bringing people together to challenge assumptions, unleash the Holy (Sacred) and affirm the faith (spirituality) that transforms the world.
